

Evaluation of CSC 300 presentation

Time constraint: Talk for 10 minutes or less, Q&A for 5 minutes or less.

There is be a penalty of up to 10% possible for running overtime.

1. Eye contact and speaking style. Eye contact, comfortable style? Speaking clearly and loud enough?

_____ (10 points)

2. Quality of slides. Do the slides help organize the talk and add to your understanding of the topic? Do they distract from the talk itself?

_____ (5 points)

3. Presentation of FACTS in an unbiased manner. Do you get a good idea of the state of the world in the area? Are facts presented so that you could go and check them if you were interested?

_____ (10 points)

4. Statement of a narrow, focused issue for resolution. Does the issue "pop out" of the fact recitation? Do you understand exactly what question the presenter is asking?

_____ (5 points)

5. Coverage of alternative arguments. Have alternate arguments been covered in a fair manner and attributed so that you could trace them if you were interested?

_____ (20 points)

6. Use of ethical principles and ethical analysis to come to a reasoned conclusion. Does the presenter answer her own question? Do you (even if you disagree) understand and respect the reasoning behind the presenter's conclusion?

_____ (50 points)

Comments:

TOTAL: ____ / 100

+ (Student Evaluations average: ____ - 20 = ____ bonus points)

= Overall Presentation score _____
